

Personal Information We Collect Online

Personal Information means personally identifiable information such as information you provide via forms, surveys, applications or other online fields including name, postal or email addresses, telephone, fax or mobile numbers, or account numbers.

How We Use Personal Information

We may use Personal Information:

- to respond to your inquiries and fulfill your requests;
- to inform you about important information regarding the Site, products or services for which you apply or may be interested in applying for, or in which you are already enrolled, changes to terms, conditions, and policies and/or other administrative information;
- to deliver marketing communications that we believe may be of interest to you, including, ads or offers tailored to you;
- to personalize your experience on the Site;
- to allow you to apply for products or services (e.g., to prequalify for a mortgage) and evaluate your eligibility for such products or services;
- to allow you to use some Site financial planning tools. Information that you enter into one of these planning tools may be stored for future access and use.
- for business purposes, including data analysis, audits, developing and improving products and services, enhancing the Site, identifying usage trends and determining the effectiveness of promotional campaigns;
- for risk control, for fraud detection and prevention, to comply with laws and regulations, and to comply with other legal process and law enforcement requirements;

How We Collect and Use Other Information

We and our third-party service providers may collect and use Other Information in a variety of ways, including:

- **Through your browser or device:** Certain information is collected by most browsers and/or through your device, such as your Media Access Control (MAC) address, device type, screen resolution, operating system version and internet browser type and version. We use this information to ensure Sites function properly, for fraud detection and prevention, and security purposes.
- **Using cookies:** Cookies are pieces of information stored directly on the device you are using. Cookies we use do not contain or capture unencrypted Personal Information. Cookies allow us to collect information such as browser type, time spent on the Site, pages visited, language preferences, and your relationship with us. We use the information for security purposes, to facilitate navigation, to display information more effectively, to personalize/tailor your experience while engaging with us, and to recognize your device to allow your use of our online products and services. We collect statistical information about the usage of the Site in order to continually improve the design and functionality, to monitor responses to our advertisements and content, to understand how account holders and visitors use the Site and to assist us with resolving questions regarding the Site. We also utilize cookies for advertising purposes.

You can refuse to accept these cookies and most devices and browsers offer their own privacy settings for cookies. You will need to manage your cookie settings for each device and browser you use. However, if you do not accept these cookies, you may experience some inconvenience in your use of the Site and some online products and services. For example, we will not be able to recognize your device and you will need to answer a challenge question each time you log on. You also may not receive tailored advertising or other offers from us that may be relevant to your interests and needs.

- **Other technologies including pixel tags, web beacons, and clear GIFs:** These may be used in connection with some Site pages, downloadable mobile applications and HTML-formatted email messages to measure the effectiveness of our communications, the success of our marketing campaigns, to compile statistics about usage and response rates, to personalize/tailor your experience while engaging with us online and offline, for fraud detection and prevention, for security purposes, for advertising, and to assist us in resolving account holders' questions regarding use of our Site.
- **IP Address:** Your IP Address is a number that is automatically assigned to the device that you are using by your Internet Service Provider (ISP). An IP Address is identified and logged automatically in our server log files whenever a user visits the Site, along with the time of the visit and the page(s) that were visited. Collecting IP Addresses is standard practice on the internet and is done automatically by many web sites. We use IP Addresses for purposes such as calculating Site usage levels, helping diagnose server problems, to personalize/tailor your experience while engaging with us online and offline, for compliance and security purposes, for advertising, and administering the Site.

Additional Information

Third party widgets – we may allow certain widgets (e.g., social share buttons) on our Sites that enable users to easily share information on another platform, such as a social media platform. The third parties that own these widgets may have access to information about your browsing on pages of our Sites where these widgets are placed. You may wish to review information at the third party site, such as social media platforms where you have an account, to determine how these third parties collect and treat such information.
